

Welcome to the Cranmer Local History Group programme for 2008-2009

The Cranmer Local History Group (as part of its objectives) is committed to promoting the history of Aslockton, Scarrington and Whatton-in-the-Vale.

This years programme shows a distinct local bias which we hope will appeal to all residents.

Non-members, particularly residents of the three villages, are always MOST WELCOME.

The Group maintains a Web Site:
www.cranmerlhg.org.uk and publishes the LOCAL HISTORY DIGEST at least twice a year which is free to residents.

We also undertake research and produce display material for local events and organisations.

Currently the Group does not receive any third party funding. All activities and publications are funded from members' subscriptions, a nominal charge made for attendance at talks and members' goodwill.

Membership subscriptions are the main source of funding for the Groups research, monthly talks and publications.

Membership runs from July to June and costs £5 per annum (pro-rata if joining mid-year). Come along to any meeting and join or use one of the contact details
